

Cover Story

8 SERVEST SECURITY

Kevin Derrick, managing director, Servest Security, has worked tirelessly to end the exploitation in the private security industry, and says there is an urgent need for greater emphasis on compliance. Given that the private security sector is the second largest employer in South Africa, ending the exploitation of these employees is what counts for true upliftment, says Mr Derrick.

Features

12 CASE STUDY

Tens of millions of eyes were focused on the world's top-ranked football stars battling for supremacy at the 2010 FIFA World Cup in South Africa but, behind the scenes, March Networks video surveillance technology was playing an important supporting role.

15 EMPLOYEE SOLUTIONS

Effective management of its people can be an organisation's greatest strength or biggest headache. Employee screening of new and existing staff has become critical to the success of many leading organisations, ensuring that the people that companies employ are not misrepresenting themselves.

21 IFSEC 2010 WINNERS

The IFSEC Security Industry Awards recognise the people, products and technological advancements that have made a significant impact on the industry industry over the year in review.

26 IFSEC 2010 REPORTBACK

Dallmeier, with its head office based in Germany, demonstrated its leading CCTV technology at IFSEC 2010, held recently at the National Exhibition Centre, Birmingham, United Kingdom.
