### Features

### 14 SPECIAL FEATURE: TRAINING

South Africa's skills shortage is of major concern in many sectors, but it has also been shown time and again that those companies that make training and skills development their highest priority, facilitate the process of creating an employee workforce that is an asset to the company. Deputy Editor **Andrea Müller** tackles the subject ...

### 21 SPECIAL FEATURE: GAMING & CASINO SECURITY

Given the large amounts of cash handled within the walls of gaming and casino premises, the temptation to commit crime has always existed. Deputy Editor **Andrea Müller** reports ...

### 4 Comment

Time to hand on the baton.

### 6 News

- Further firearms amnesty declared.
- Move to re-register security industry.

### 8 Success Story

Having expended huge effort on research and product development in 2009, and with a series of exciting product launches planned for 2010, the future looks bright for the KwaZulu-Natal based electronic security manufacturer and distributor, Inhelp Electronics Holdings, which trades under the brand name IDS.

### 10 Personality Profile

Jenny Reid is living proof that no matter how much you try and plan the direction you believe your life should take, often the powers that be have other ideas in store for you. Difficult to believe that a woman that has so much passion for the security industry originally had her heart set on a long and eventful career in the travel industry.
